## TIRIAN Dimension 2: Interactive Seminars, Workshops and Keynotes - Logistics

**Key** (All scores are relative to other Tirian Dimension 1 programs)

**Venue Size:** Large room will need to sit the equivalent of 2 times the number of people if seated in banquet format (round tables) plus stage area

**Most Dimension 2 seminars can be integrated into Tirian's Dimension 1 experiential learning programs**

*Sample of integration: it is possible to run "Village Celebrations" (D1-team building ) AND "Building the Corporate Village (D2 - seminar) AND the (D3- consulting / facilitation) "TPS" or "CPS" positioning system" as an integrated learning package*
